

## ERRATA

### **Snowies-Little Belts Grazing Permit Renewal Environmental Assessment No. MT060-08-52**

Following are corrections to the Snowies-Little Belts Grazing Permit Renewal,  
EA No. MT060-08-52:

**Page 10: Identification No. 004 – Harlow Ranch Allotment 10038**

Under Proposed Action: Change type of use from “active” to  
“custodial.”

**Page 12: Identification No. 007 – Surenough Creek Allotment 12607**

Under Proposed Action: Change total preference from “168  
AUMs” to “167 AUMs.”

**Page 37: Identification No. 054 – N Bar Allotment 02821**

Under Proposed Action: Add to other terms and conditions “Free  
use sheep grazing is not authorized under the grazing permit and  
must be applied for annually. Proposed sheep use will be included  
in the terms and conditions of the annual grazing application;  
authorization will be facilitated through signature and return of the  
application.”
